**§6822. LICENSES BY AREA**

If management areas are established pursuant to section 6814, then a person eligible to purchase a license under section 6821 may purchase that license for only one of the management areas. A person may not change from the management area in which the person harvested sea cucumbers in the previous calendar year unless the change is authorized in accordance with section 6823. A sea cucumber drag license authorizes the licensed activity only in the management area for which it is issued. [2005, c. 27, §4 (NEW).]
